

Saul was told where David was, so he sent men after him. But the Spirit of God came on Saul's men, and they prophesied.

Trace the lines to finish the picture.

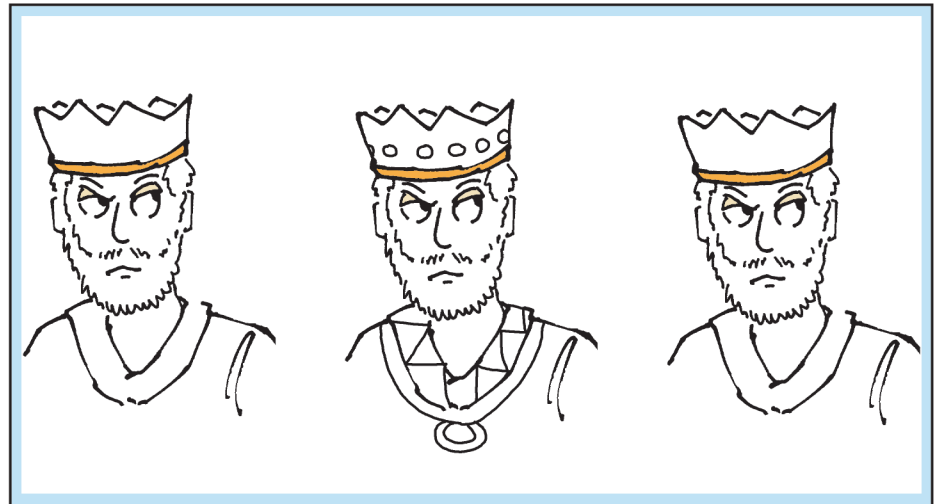

Saul then left for Ramah and asked, "Where are Samuel and David?" But the Spirit of God came even on him, and he walked along prophesying until he came to the place they were staying.

Saul and David

Saul was angry. He told his son Jonathan and his men to kill David. But Jonathan liked David very much and warned him.

Circle the picture that is different.

Then Jonathan asked Saul, "Why would you want to kill an innocent man like David for no reason?"

Saul promised that David would not be put to death.

Circle the hidden letters.

D A V I D

Saul became angry again and threw his spear at David. David got away and went back to his house.

But Michal, David's wife, let David down through a window, and he ran away. Then Michal took a statue and laid it on the bed, covering it with clothes and putting some goats' hair at the head.

Write the letter "A" on the blanks.

When S__ul sent his men to c__pture D__vid, Mich__l s__id, "He is sick."

But when the men entered, there was only the statue in the bed. When David had run away, he went to Samuel and told him all that Saul had done to him.
